DO NOT OPEN THIS QUESTION BOOKLET FURTHER UNTIL YOU HAVE READ THESE DIRECTIONS

1. Do not mark on this booklet in any way. Indicate your answers on the separate answer sheet provided.
2. Make sure you understand each question: read it as many times as necessary. Please answer every question. You can give your opinion if you are uncertain about the answers.
3. Do not stay too long with one question. Answer it as soon as you understand it and go on to the next question.
4. When an answer would be different if one considered the past rather than the present, answer as of the present.
5. On the answer sheet you have the choice of three columns in which to mark your answer. Plus (+) means mostly yes or decidedly so. Middle (m) means uncertain, maybe, neither definitely yes or no. Minus (-) means mostly no or decidedly no.
6. Your answer to the question is indicated by making a heavy mark in the rectangle opposite the number of the question in the column which will show your answer. If you should erase, be sure it is completely erased and the other answer is heavy enough so that there will be no difficulty in distinguishing your answer.
